The Transformational Leadership Report

Dean Anderson Linda Ackerman Anderson Introduction. Command and control is by far the most common change leadership style. Most of today's leaders were mentored themselves by command and control managers, and the culture of most organizations is still based on command and control norms.

How Command and Control as a Change Leadership Style

The King's Fund has been calling for transformational change to respond to the growing pressures and demands in the health and care system. We have argued that transformation is best brought about "from within", led by frontline staff and service users, and that it needs collaborative and distributed leadership styles.

Culture change is a term used in public policy making that emphasizes the influence of cultural capital on individual and community behavior. It has been sometimes called repositioning of culture, which means the reconstruction of the cultural concept of a society. It places stress on the social and cultural capital determinants of decision making and the manner in which these interact with ...

What is Transformation, and Why Is It So Hard to Manage?

Paul Goodman (September 9, 1911 – August 2, 1972) was an American novelist, playwright, poet, literary critic, and psychotherapist, although now best known as a social critic and anarchist philosopher. Though often thought of as a sociologist, he vehemently denied being one in a presentation in the Experimental College at San Francisco State in 1964, and in fact said he could not read ...

Types of Change . By Justin L. Bennett (TNU 2008). Introduction Change management is a broad term and encompasses many systems and processes. Although there are many choices in change management our research indicated several existing similarities and concepts.

Types of Change - The Linked Business Models

Moral discourse is normative; it is captured in our language of right/wrong, good/bad, should/ought, good/evil. While meta-ethical discourse is concerned with a critical analysis of the foundations of moral judgments—the worldview and ontological rationale that confers legitimacy upon a set of normative criteria and values—practical ethical discourse is primarily focused upon two issues ...
