Penal transportation or transportation was the relocation of convicted criminals, or other persons regarded as undesirable, to a distant place, often a colony for a specified term; later, specifically established penal colonies became their destination. While the prisoners may have been released once the sentence was served, they generally did not have the resources to get themselves back home.

Penal transportation - Wikipedia

A Policy on Geometric Design of Highways and Streets, 7th Edition, 2018, commonly referred to as the â€œGreen Book,â€• contains the current design research and practices for highway and street geometric design.
