Tourism has become an important, even vital, source of income for many regions and even entire countries. The Manila Declaration on World Tourism of 1980 recognized its importance as "an activity essential to the life of nations because of its direct effects on the social, cultural, educational, and economic sectors of national societies and on their international relations."

There is a certain frisson of excitement when you're tromping around on top of an active volcano. Last

year, I visited Costa Rica's Poás Volcano, an active stratovolcano with the largest crater opening in the world. A stratovolcano is a conical volcano created from repeated outpourings of hot lava that cool as they pour over the sides of the rim.
