appears without, It is within, in your imagination, Of which this world of mortality is but a shadow. Try it, and you too will prove that your imagination is the creator.

### **How To Use your Imagination - The Secret by Neville**

Imagine in the Present Moment: As you learn to use your imagination, always imagine your intended outcome in the present moment during your creative visualization sessions. Imagine yourself being, doing and having that which you intend to experience. This is a critical step when learning to use your imagination.

### **Step 2 - How to Use Your Imagination for Creative**

Whenever you do in your imagination that which you would like to do in the outer world, that you WILL do in the outer world. The one requisite is to arouse your attention in a way, and to such intensity, that you become wholly absorbed in the revised action.

### **Neville Goddard How To Use Your Imagination**

Using your imagination to create requires you to develop a kind of "muscle" or skill. One way to experiment is to ask your imagination for aid in solving a problem before you go to sleep. Thomas Edison reportedly called this making "requests" to your subconscious.

employment would be your savior. Your imagination is the power to save you from whatever circumstances you now find yourself. You can experience your heart's desire through the use of your imagination. Nothing is impossible to your imagination. Your imagination is unlimited in what it can accomplish. If you can imagine something, you can achieve it.
