vampire chronicles series of pdf

The Vampire Chronicles is a series of novels by American writer Anne Rice that revolves around the fictional character Lestat de Lioncourt, a French nobleman turned into a vampire in the 18th century.. Rice said in a 2008 interview that her vampires were a "metaphor for lost souls". The homoerotic overtones of The Vampire Chronicles are also well-documented.

The Vampire Chronicles - Wikipedia

The Vampire Lestat (1985) is a vampire novel by American writer Anne Rice, and the second in her Vampire Chronicles, following Interview with the Vampire. The story is told from the point of view of Lestat as narrator, and several events in the two books appear to contradict each other, allowing the reader to decide which version of events they believe to be accurate.
