### **Weekly Homeschool Planner**

[Update:] Now with a second page for the weekend plus expanded shopping list! See below. Last year I introduced the Weekly Bento Planner, a simple form to plan your bento lunches. It's been very popular, and both files have been downloaded thousands of times. One comment I got several times was that the form was fine for mapping out the week's bento plans, but what if you wanted to plan all ...

After the introduction to the why of my DIY planner I thought I'd continue today with the how to, a tutorial to inspire you and some facts on how I finally created my own Planner for 2011, in a format that I can continue to use for many years to come! I created the layout of the weekly pages in Adobe InDesign, as well as a few other layouts for my planner, but I won't go into that here.

The series focuses on Daria Morgendorffer, a smart, acerbic, somewhat misanthropic teenage girl who, along with her best friend, aspiring artist Jane Lane, observes the world around her. The show is set in the fictional suburban American town of Lawndale and is a satire of high school life, full of allusions to and criticisms of popular culture and social classes.
