

where are we at pdf

In older operating systems I relied heavily on searching. Now the search functions are simply not useful and effective and they are hard to understand so I now often lose where my files are. I often download pdf files from various web sites. Where are these files stored? Some of these files are very important to me.

where are downloaded pdf files stored? - Microsoft Community

Most people wanting to convert a PDF file to some other format are interested in doing that so they can edit the contents of the PDF. Converting a PDF means that it will no longer be a .PDF, and instead will open in a program other than a PDF reader.
