I just bought The Witcher Enhanced Edition and installed it. When I go to run the game it tells me "Insufficient Privileges: you must be administrator to run this application for the first time." So I right click and select run as administrator, same thing, I uninstalled it and right clicked reinstalled it with right click run as administrator, still a hole lot of nothing.

The Witcher 2: Assassins of Kings is a more complicated game than some might realize. It has adjustable difficulty settings, but you don't have to play on the easiest setting to get through everything. Proper mastery of the game requires your understanding on a few points. Learn what the basics are and learn how to apply
