Workers' compensation is a form of insurance providing wage replacement and medical benefits to employees injured in the course of employment in exchange for mandatory relinquishment of the employee's right to sue their employer for the tort of negligence. The trade-off between assured, limited coverage and lack of recourse outside the worker compensation system is known as "the compensation ...

How to Force Carriers to Pay. December 17, 2015 [4124]: One issue that has upset many claimants is the one in which carriers just do not pay M&T and/or medical bills on a timely basis. And in some cases, they do not pay penalties on a timely basis. For whatever reason, the Board seems either unable or unwilling to take steps necessary to resolve these claims.Â¹
