INTEGRATING MENTAL HEALTH SERVICES into PRIMARY HEALTH CARE

Crisis lines aren't only for people in crisis. You can call for information on local services or if you just need someone to talk to. If you are in distress, call 310-6789 (do not add 604, 778 or 250 before the number) 24 hours a day to connect to a BC crisis line, without a wait or busy signal. The crisis lines linked in through 310-6789 have received advanced training in mental health ...

Laura's Law is California's version of Assisted Outpatient Treatment (AOT). It allows courts, after extensive due process, to order a small subset of people with serious mental illness who have been noncompliant with treatment and meet very narrowly defined criteria to accept treatment as a condition of living in the community.

In recent years, prison officials have increasingly turned to solitary confinement as a way to manage difficult or dangerous prisoners. Many of the prisoners subjected to isolation, which can extend for years, have serious mental illness, and the conditions of solitary confinement can exacerbate their symptoms or provoke recurrence. Prison rules for isolated prisoners, however, greatly ...
